Hello Friends of Woburn Art Gallery

Last time I wrote about the heat. This time it has been dank, dull and damp. Hope when you get this things will be brighter and more cheery. Woburn lights will help!!

We have some stunning new work from some new young artists you may not have seen before.

Cushions have been added to phone covers & coasters designed by Abby Cork as well as lovely new work.

Barry Loines—Appointed by the National Trust as an artist has a horse theme. If you've seen Stubbs at MK gallery you'll find these stand up very well.

You have been asking for some big statement pieces and we have more than usual this time.

Christmassy handmade work is in now. Glass, wood and ceramics already adorning our tree. We are very excited by this change over which will carry us through Christmas

Woburn is having a charity shopping event on Friday 6th December with 'Carols on the Cobbles' 6.00 – 8.00 pm and all stores are open including us. Mulled wine, Father Christmas and surprises in store. Street food available.

Roy Holding and Roger Dellar at their best
